

Queensferry Care Supper Club

Queensferry Care

Connecting people with their Community

Queensferry Care Supper Club is for older people with a diagnosis of dementia and a carer/family member or friend. It provides an opportunity to meet with others to enjoy an evening meal.

The aim of the Supper Club is to provide a supportive, friendly and social environment for both carer and the person they care for. This gives people the opportunity to share quality time together. Whilst at the club people are able to enjoy a meal in a comfortable setting, meet others, connect back into community life and participate in some fun activities or enjoy entertainment.

If you would like more information on our Supper Club service and would like to access the service for yourself or a family member please contact us Email mail@qccc.org.uk Call **0131 331 5570**.

To volunteer for our Supper Club please contact us Email lorna.russell@qccc.org.uk or Call **0131 331 5570**.

This service is funded by Edinburgh Integrated Joint Board until March 2025.
